Dear brethren,

It has been some time since our last report in June, and although we will be sending out another report in the next few weeks, we wanted to write to you personally to thank you for all the help you are giving us. We know that it is not easy to be as generous as you are, and we want you to know that we really appreciate what you are doing – it really makes a big difference here. Christine and I regularly think of you and make mention of you in our prayers, for we are indebted to you beyond measure.

It has been a big year for the school; we have done a lot of gospel preaching and been involved in establishing five new congregations of the Lord's church, but I don't want to say too much here (I'll leave the details for the coming report); however, we would like to encourage you in the knowledge that you have played such a major part in all the good work which has happened. We thank you from the bottom of our hearts.

In Philippians 4:18, the apostle Paul writing to the church at Philippi concerning the assistance they had provided to him, described their support as **"an acceptable sacrifice, well pleasing to God"**.

Your servants in Christ,

Christine Veary

Marc and Christine Veary.

P.S. If anyone would like to come to Malawi and visit, you will find a warm welcome here in Malawi, the warm heart of Africa.
